PMC Credit Hours Awarded
Dear Colleagues,

On behalf of Punjab State Chapter of IRIA, it is our proud privilege and pleasure to extend a hearty welcome to the Second IRIA Resident Education Program (IREP) of the year to be held at Sri Guru Ram Das Institute of Medical Sciences and Research, Sri Amritsar on November 17th and 18th 2018.

IREP has been initiated by the Indian Radiological and Imaging Association for the benefit of the Residents throughout the country. The scientific program that is having KEY TOPICS covering CNS, MSK, FETAL and PAEDATRIC RADIOLOGY by the experts from across the country is aimed at teaching and training the resident doctors for the final examination before they embark upon the professional journey. It also gives an excellent opportunity to the practising Radiologists to brush up their skills and keep updated.

The weather is very pleasant in the month of November. Light Woollens are sometimes required at dusk and dawn. We extend a hearty welcome to all of you. It is hoped and prayed that all the participants go back with loads of learning, goodwill and blessings from the Holy City of Sri Amritsar.

Dr. AP Singh
Dean, SGRDUHS, Sri Amritsar
